

Letter to Sarah Fuller, April 29, 1884

Scott Circle Washington, Circle Washington, D.C. April 29, 1884. Miss Sarah Fuller,
Newton, Lower Falls, Mass.

Miss Fuller:—I beg to acknowledge receipt of yours of the 26th inst. and to state that
Mr. Bell has a little daughter very ill of scarlet fever thereby taking his attention from his
correspondence. I feel sure, however, he will answer yours at his earliest opportunity.

Very Truly Yours, Z. Maguin Sec.
